Introduction

This policy sets out clearly the expectation of behaviour and social relations in the School. The key aim is to create and maintain a community which is considerate, where interaction is based on mutual respect, and which fosters good teaching and learning.

We have the highest expectations that our pupils will behave with courtesy and consideration for others in and out of school. We believe that in order to enable effective teaching and learning to take place it is essential that we promote and maintain the highest standards of behaviour. In order to achieve our aims it is important to establish and maintain good teacher/pupil relationships throughout the School. Much of this is achieved through sound and effective teaching in the classroom, as well as opportunities afforded in pastoral work in tutoring, PSHCE, assemblies and support from Senior/Form Prefects for both pupils and Staff.

The School's rich and varied co-curricular programme helps to promote high standards of behaviour, positive working and social relationships within and outside the School community. We acknowledge and reward the good work and behaviour of pupils and seek to create a caring, safe and happy learning environment in school by:

- Encouraging all members of the School community to show consideration for others,
- Encouraging pupils to be honest, acquire self-discipline, and take responsibility for their own actions and choices,
- Encouraging pupils to respect the customs and regulations of the school,
- Fostering a set of shared values among Staff, pupils, parents, and the wider community,
- Encouraging a culture among Staff of listening to children, taking account of their wishes and feelings when putting in place measures to protect them,
- Understanding the difficulties that children have may encounter in approaching Staff about their circumstances,
- Building trusted and appropriate relationships that facilitate communication,
- Having a zero-tolerance stance on child-on-child abuse,
- Never downplaying Instances of child-on-child abuse, including sexual violence and sexual harassment should never be dismissed as banter, just having a laugh, 'boys being boys' or an inevitable part of growing up, as this can lead to a culture of unacceptable behaviours and an unsafe environment for children.

The School will endeavour to:

1. Make explicit the philosophy underlying the School's system of rewards, punishment and pastoral provision,
2. Encourage Staff to recognise and praise good behaviour as well as dealing with bad behaviour, and to ensure that sanctions, when needed, are appropriate and applied in a fair and consistent manner. The school acknowledges its legal duties under the Equality Act, 2010, in respect of safeguarding and in respect of pupils with special educational needs and disabilities (SEND),
3. Ensure that Staff, pupils and parents know, and understand the reasons for, the School's Codes of Conduct, which can be viewed on the School website.

Roles and Responsibilities

The Education and Inspections Act 2006 introduced new statutory powers for schools regarding behaviour and discipline which came into effect in April 2007. Further guidance is given in the DfE's Behaviour and Discipline in Schools (2016). The powers give any teacher and all other paid staff with responsibility for pupils (unless the Headmaster says otherwise) the authority to discipline pupils whose behaviour is unacceptable, who break the School's Code of Conduct or who fail to follow a reasonable instruction. Powers shall be exercised 'reasonably and proportionately'. Where reasonable this power extends when outside of school. These new powers include:

- Day pupils may be detained on weekdays (after the normal school day has ended), weekends, or staff days, with 24 hours' notice,
- Boarders can be detained at the Head of Boarding or Resident Tutor's discretion providing this falls outside of the normal school day (0830-1610), times that mean that the pupil is unable to access meals, after lights out and before wake up,
- There is no requirement for 24 hours' notice for lunchtime detentions. However, Staff must ensure that lunchtime detentions are not of such duration that a pupil misses the opportunity to eat,
- Staff have the right to confiscate articles ('seize, retain or dispose of') with authority from the Headmaster.

The Board of Directors will establish in consultation with the Headmaster, Staff and parents the Policy for the promotion of good behaviour and keep it under review. It will ensure that it is communicated to pupils and parents, is non-discriminatory and that the expectations are clear. Governors will support the School in maintaining high standards of behaviour.

The Headmaster will be responsible for ensuring the implementation and day-to-day management of the policy and procedures. The Headmaster and Senior Staff will oversee support for staff faced with challenging behaviour.

Staff: all teaching and non-teaching staff will be responsible for ensuring that the policy and procedures are followed, and consistently and fairly applied. Mutual support amongst all Staff in the implementation of the policy is essential. Staff have a key role in advising the Headmaster on the effectiveness of the Policy and procedures. They also have responsibility, with the support of the Headmaster, for creating a high-quality learning environment, promoting good behaviour and implementing the agreed policy and procedures consistently. The expectation is that Staff will apply the policy.

The Board of Directors, Headmaster and Staff, will ensure there is no differential application of the policy and procedures on any grounds, particularly ethnic or national origin, culture, religion, gender, disability or sexuality. They will also ensure that the concerns of pupils are listened to and appropriately addressed.

Parents and guardians will take responsibility for the behaviour of their child both inside and outside the School. The School values a close relationship with parents, and they will be encouraged to work in partnership with the School to assist in maintaining high standards of behaviour both in and out of school. This includes pupils' conduct on the way to and from school when on buses and on expeditions away from school during term time or in the holidays.

Pupils are expected to take responsibility for their own behaviour to enable Staff to teach and promote learning without interruption or harassment. They will be made fully aware of the school

policy, procedure and expectations. Pupils also have a responsibility to ensure that incidents of disruption, violence, bullying and any form of child-on-child abuse or harassment are reported promptly to Staff.

In the interests of safeguarding and supporting young people, referrals may be made to External Agencies (including Early Help (Targeted Support), Children's Social Care and the Police) with the aim of identifying the best resolution. Below are examples of the different types of reward or sanction possible. Pastoral and academic staff should adopt an individualised approach to rewards and sanctions, bearing in mind pastoral and SEND issues. Where relevant, sanctions are discussed with Head of Learning Support.

Rewards

The School is keen to acknowledge effort and good behaviour and to praise and celebrate pupils in their curricular and co-curricular achievements. The opportunities include:

- Reports on sports, trips and other activities given by pupils in whole school assemblies,
- An annual prize giving ceremony, which includes prizes for endeavor,
- Commendation Cards for good work or significant improvement or achievement in any area of school. These are administered by teachers and taken home,
- Following Grade Cards, the Head and Senior Staff see all pupils who have achieved high scores or shown significant improvement in their academic work,
- Notable academic and co-curricular achievements are celebrated by announcements in Assembly and Colours, certificates and trophies are awarded in the presence of the whole school. Achievements are also recorded in Press releases, the School Magazine, Head's Newsletters, on the website and on display areas in school,
- Achievement Points are awarded for academic or behavioural effort not quite meriting a commendation. These are given for Achievement, Endeavour, Co-Curricular and Community. If a pupil receives 3 of these in the same category, they automatically receive a commendation card,
- Half Colours – A pupil receives this after receiving 3 Commendation Cards for the same category, Achievement, Endeavour, Co-curricular and Community,
- Colours – A pupil receives this after receiving 6 Commendation Cards for the same category, Achievement, Endeavour, Co-curricular and Community,
- Sport/Drama/Music Colours and Half Colours – These are awarded at the discretion of the Heads of Sport, Music and Drama for pupils good performance and commitment in these areas,
- Letters home from Heads of Section to recognise notable academic achievement or improvement,
- Pupils who have shown extremely high levels of achievement or endeavour may be awarded a Board of Directors' Commendation direct from the Board.

Sanctions

There is no corporal punishment.

Pupils are given clear guidance on personal conduct. However, from time to time incidents may occur, as in any community. In cases of misbehaviour, both in school or when off-site, or for inadequate work, the school will use a range of sanctions. Crucial to our system of sanctions is the principle of proportionality. A member of staff who refers a matter to a member of the pastoral team will be given full support and an explanation of the action to be taken. Such action will depend on the severity of the incident, the pupil's previous record and any extenuating circumstances. A record of any reported incident will be kept in the pupil's file. In addition, a centralised record of any significant sanctions is kept by the Senior Deputy Head.

The following examples are not meant to be prescriptive but should serve to give some indication of when a particular sanction might be used.

The procedure set out above ensures that persistent offenders eventually reach the higher-level sanctions.

At any stage several other strategies are available to the pastoral team, eg. counselling, sending out (see Appendix 1).

Pastoral Support

Staff should record class pastoral/academic concerns on SIMS after sanctions or support have been given, and concerns remain. The Form Tutor/Houseparent should contact parents if several concerns are received in a short time. SIMS should not be to alert Child Protection Designated Personnel of concerns. The usual child protection procedures must be followed.

Pupils with emerging behaviour concerns or at risk of permanent exclusion from the school will be given Pastoral Support which may involve Form Tutor, Head of Section, Resident Tutor, Head of Boarding or Senior Deputy Head, mentoring/counselling as appropriate. A plan will be agreed between the school, the pupil and the parents. External agencies will be involved if appropriate.

Confiscation

Staff have the right to confiscate inappropriate items. This may include when:

- An item is a danger to others, e.g. laser pen,
- An item disrupts teaching and learning, e.g. a mobile phone,
- An item is against school uniform rules/dress code, e.g. jewellery and non-uniform items,
- An item poses a health and safety threat, e.g. neck chain worn during P.E,
- An item which is illegal for a child to have, e.g. pornographic material,
- An item which is distracting a pupil from getting appropriate sleep in boarding or on an residential trip.

When an item is confiscated a record of the incident will be made by the member of staff involved and a copy kept on the pupil's file. Items of obvious value will be labelled and stored in the school's safe or locked securely in the Boarding or Section office until they are returned to the pupil. In most cases, confiscation is a sufficient sanction, and the return of the item at the end of the lesson or school day is adequate time to reinforce the school rule.

If the School chooses not to return an item at the end of the school day, then parents will be informed in writing. In some cases, a responsible family adult may be asked to retrieve the item. Other items which the pupil should not have had in their possession, particularly of an unlawful or hazardous nature, may be given by the school to an external agency for disposal or further action as necessary. This will be followed by a letter to the parents confirming that this has taken place and the reasons for such action.

Search Powers

Any member of staff may search a pupil for offensive weapons, using reasonable force, if necessary, where they have reasonable suspicion that a weapon is concealed (Violent Crime Reduction Act 2006). This will normally be a member of the Senior Leadership Team, where possible of the same gender as the pupil and in the presence of another member of staff.

Physical Violence

In any incident of physical violence, a record must be kept in the file of the victim as well as in the file of the perpetrator. The victim's parents must be informed of the steps taken to deal with the matter. Similarly, where both parties are held to be culpable, a note of the incident and the action taken should be recorded in both files. Normally all parties involved in a fight will receive a sanction.

Restraint

The School does not advocate the use of physical restraint on pupils. An underlying principle of this Policy is to create an ethos where it should not be necessary. Only in exceptional circumstances will physical intervention be used:

- To prevent pupils from committing a criminal offence,
- To prevent pupils from injuring themselves or others,
- To prevent pupils from causing damage to property, including their own property,
- As a last resort, when all other de-escalation strategies (including positive handling techniques) have proved ineffective in preventing a pupil from engaging in behaviour which disrupts the good order and discipline of the school.

If required to use physical intervention, staff will:

- Use the minimum force necessary, proportional to the circumstances,
- Use as an act of care, and not as punishment,
- Report the use of any force to the relevant Senior Deputy Head immediately,
- The Senior Deputy Head will log the use of restraint,
- The Senior Deputy Head will review this log to recognise the need for training of staff and also, to risk-assess pupils being on site, where multiple uses of restraint are reported.

Room Searches in the Boarding House

Boarding Staff will only conduct searches of pupils' bedrooms and belongings if the health, safety, or welfare of either the young person or others is at risk.

A pupil's room and belongings will only be searched where there are clear grounds for suspecting something is untoward and where failure to carry out the search would put at risk the welfare of the pupil, staff, and others.

If appropriate the reasons for the search will be explained to the pupil prior to the search; however, in exceptional circumstances pupils do not need to be told that a search is being carried out.

In all circumstances a minimum of 2 Staff must conduct the search and, in most cases, it will be preferable for the pupil to be present during the search.

All searches must be documented showing the time, date and reason for the search, noting what if anything was found, who carried out the search, who was present at the time and if the young person was in agreement with the search taking place.

If a search is made and the pupil is found to be in possession of any illegal substances, then the Head of Boarding and Senior Deputy Head must be informed immediately. They will consult with the Headmaster and if necessary the police will be involved.

If a search is made and other harmful items such as weapons are found, Staff must remove the items and inform the Head of Boarding and Senior Deputy Head as soon as possible, who will liaise with the Headmaster.

Malicious Allegations

Malicious allegations concerning staff (teaching or support) will be treated as a significant breach of the School's Behaviour Policy and may result in the suspension or permanent exclusion of the pupil making the malicious allegation. Persistent offenders may be reported to the police if there are grounds for believing a criminal offence may have been committed. (DfE statutory guidance 10 September 2012).

All members of the school community should be aware that any allegation of improper behaviour or unprofessional conduct made against a member of the school community will be treated with the utmost seriousness.

Complaints Procedure

Any complaints regarding the application of this Behaviour Policy should be made in writing to the Headmaster in line with the Complaints Policy A14.

Child-on-child Abuse

Definition of Child-on-Child Abuse

We recognise that child-on-child abuse can manifest itself in many ways. This can include but is not limited to:

- Bullying (including cyberbullying, prejudice based bullying and discriminatory bullying),
- Sexual violence and sexual harassment,
- The sending of consensual and non-consensual nude and semi-nude images and or videos (sexting or youth produced sexual imagery),
- Abuse in intimate personal relationships between peers,
- Initiation/hazing type violence and rituals (these may include harassment abuse or humiliation),
- Physical abuse (which includes hitting, kicking, shaking, biting, hair pulling or otherwise causing physical harm),
- Causing someone to engage in sexual activity without consent (such as forcing someone to strip, touch themselves sexually, or to engage in sexual activity with a third party) and
- Upskirting (part of the Voyeurism (Offences) Act, April 2019) which typically involves taking a picture under a person's clothing with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress or alarm.

The School recognises that there is a gendered nature of child-on-child abuse, with girls more likely to be victims and boys perpetrators. However, all forms of child-on-child abuse are unacceptable and will be taken seriously.

Where there is reasonable cause to suspect that a child is suffering, or likely to suffer, significant harm, it is recognised that child-on-child abuse can be a safeguarding issue and will be treated as such.

Appendix 1: Staff Guidance for Sending Pupils Out at Wisbech Grammar School

It is to be hoped that this should be a sanction which rarely needs to be applied.

There are two types of sending pupils out of a lesson:

1. The 'Time Out' Sending Out.

This should last no longer than two minutes and be seen as a 'cooling off' period for the pupil to enable them to be reintegrated into the lesson quickly and calmly.

2. In the aftermath, the member of staff involved must: inform Head of Department and record the sanction in SIMs. A Departmental Detention would be the likely sanction applied in this circumstance. If a Form Tutor identifies that a pupil has received 2 or more 'Time Outs' then it is likely that a Head/Deputy Head of Section would apply an Internal Suspension of Privileges with a letter sent home to inform parents.

Formal Sending Out.

The pupil is sent to Pupil Services, the member of staff notes the time that the pupil was sent out on a piece of paper which the pupil then takes with them to Pupil Services. If the member of staff is able to do so, they should phone/email Pupil Services to let them know that the pupil is coming.

From Pupil Services, the pupil would usually be directed to the relevant Head of Section/Deputy Head of Section.

The member of staff sending the pupil out should, as soon as possible after the lesson, give a written account of the circumstances in which the pupil has been given a Sending Out sanction; this should be passed to the Head/Deputy Head of Section and logged in SIMS

An Internal Suspension of Privileges with a letter sent home by the Head of Section would be the usual sanction.

Consequently, you have a responsibility to go to practices, rehearsals, meetings, etc., for any endeavour to which you make a commitment. This may sometimes mean that you have to make sacrifices. If you are late into school you must register at Pupil Services

Absences:

Parents are asked to phone into the school if you are absent due to illness: a letter must be sent on your return in order to explain your absence. Absences can also be reported through My School Portal. In this way it is often easier to help with catching up with missed work.

If it is likely that you will be absent for some time, please get your parents to contact the form tutor concerned and arrangements can be made to help.

Leaving the Premises:

No pupils may leave the premises without parental or staff permission. If you are arriving/leaving during the course of the school day, you must sign in/out at Pupil Services.

If you feel unwell at any point during the school day, you should go to Pupil Services. If it is decided that you need to go home, the receptionist will contact your parents/carer for you. You should not make this call. Equally you may be referred to the Nurse in the Annexe. You must not go directly to the Annexe.

Only 6th Formers may leave the school premises at lunchtime. they should sign out at Pupil Services and back in on their return, which should be before afternoon registration.

All pupils who pass their driving test and who will be driving to/from school must complete the New Driver Form and which can also be obtained from the Head of 6th Form. This form must be signed by parents and provides details about the vehicle and passengers who may be regularly transported by the pupil in question. All parents will be asked to sign a form at the start of the school year stating that they are happy for their son/daughter to travel with another pupil in their car, either to or from school or at lunchtime.

Licensed premises (except supermarkets) are out of bounds during the school day. This includes off-licences and betting shops.

Homework and Marking

Homework:

Homework will be set regularly in accordance with the Homework Timetables set for the academic year. These are distributed to pupils and parents at the beginning of the Michaelmas Term. All pupils use 'Assignments in Teams, to manage homework. When setting homework, teachers will make clear "What I am looking for".

If pupils have a problem with a homework, they should seek help from the teacher as soon as possible, ideally well before the work is due to be handed in. Sending a message on Teams is a great way to initiate getting support.

There are a range of tasks which can be set for homework, including ones that are internet-based. In addition, some homework tasks may be extended to cover more than one homework session.

Pupils who fail to complete homework in a satisfactory way or by the deadline will initially be dealt with by the subject teacher with the support of the Head of Department. A pupil who fails to complete a homework by the deadline on more than one occasion will be given a departmental detention. If a pupil continues to miss homework deadlines, an Academic detention will be set by the Deputy Head Academic. Persistent offences may result in a Saturday detention.

Plagiarism is strictly forbidden under all circumstances and can lead to serious sanctions.

Marking:

Marking should show pupils how they have performed on a given piece of work or in a test and help them to make improvements. This will be done by considering “What went well” and “Even better if”. Teachers at Wisbech Grammar School encourage pupils to reflect on their achievements.

Grade Cards/Achievement Profiles

Aims and Explanations:

The Grade Card/AP allows pupils, parents and tutors to gain feedback about the learning that has been completed during an approximately 4-5 week period. It complements information supplied about each pupil through the assessment of work, in written reports and by discussion at parents’ evenings.

The Grade Card/AP is not an end in itself; it is a means to an end. It can provide an early warning when a pupil is underperforming or an endorsement when a pupil is doing particularly well. Regular grades enable issues to be readily identified and swiftly addressed.

The Grade Card/AP seeks to promote discussion between the pupil, teacher and tutor. The system aims to provide realistic and constructive appraisal of each pupil’s performance as the academic year progresses. It is a vital ingredient in supporting every learner to assimilate a thorough knowledge of each subject and to develop appropriate skills.

Support:

Pupils may be put on daily report to support their progress. Similarly 6th Form pupils may have their Private Study lessons supervised or have other support mechanisms put in place in discussion with their tutor, Head of Section and Parents/Carers

Uniform

The purpose of a school uniform is to ensure that all pupils are identified with the school and all appear neat and inconspicuous. School uniform is formal attire and, as such, it is inappropriate to wear it informally. The school has a high reputation; its smart, identifiable pupils are a large part of this. Uniform should be worn on your way to and from school, during the school day and on formal school occasions, as directed. Please see separate documents for detailed uniform and dress codes.

Around School

Safety around the school gates/entrances

In the interests of safety, parents are not allowed to park their cars or drop off pupils in the North Brink car park at the beginning and end of the school day. Parents are advised to park in the Main School Car Park, Barton Road or in the public car park on Chapel Road. On North Brink pupils should be dropped off only in designated parking bays.

Pupils should take care when crossing Harecroft Road and use the pedestrian crossing. Likewise, when crossing Chapel Road the pedestrian crossing should be used. Pupils accessing the school from North Brink should use the front door not the North Brink gates.

Pupils' Personal Property

You should always be careful when bringing expensive items into school. It is best to ensure that any such item is insured for use in school as well as for travel to and from school.

The School cannot accept responsibility for loss of, or damage to, personal property.

Pupils are not allowed to sell goods of any kind, including sweets or tuck, to other pupils on school premises, on their journey to/from school, or on school trips. If you do, you may face disciplinary sanctions.

School Property:

Once you have finished with any school books/equipment/materials, please ensure they are returned to school. Please treat all property with respect.

Dangerous Items:

You must not bring to school any article that is dangerous or that could be regarded as a weapon. If you do, it will be confiscated and you will face serious disciplinary sanctions for bringing offending items to school.

Bicycles:

Do not ride your bicycle into or out of the school gates or anywhere on school premises. Push it, and padlock it in the rack. For your safety, you must wear a helmet whilst cycling. You must use lights when riding your bicycle in the dark.

Lockers:

Every pupil who wants one has a locker. Most lockers are under the canopy in the courtyard. In the case of outside lockers, pupils bring in their own padlock. Don't leave belongings in your locker overnight. Food should never be left overnight in your locker.

All lockers must be left empty and clean at the end of each term. You should never store your belongings in another pupil's locker. You should keep your locker locked at all times. The School reserves the right to open a pupil's locker if it is deemed necessary. Wilful or malicious damage to lockers may result in a deduction being made from Caution Money.

Bags:

You must keep your bag with you, or in your locker. PE kit can be stored on the shelving area near the PE changing area or in the History area. Cricket bags can also be put in the shelving area in the foyer of the Sports Hall. All belongings must be taken home at the end of each day.

Lost Property:

Items of Lost Property are passed to Pupil Services. Please remember that it is much easier to get Lost Property back to its rightful owner if everything is clearly named.

Form Rooms:

Pupils in the 1st and 2nd Forms do not have access to their form room during break and lunch time except in wet weather.

Pupils in the 3rd Form and above may stay in their form room at break and lunchtime if it is available. It is the responsibility of members of the form to ensure that their form room is kept clean and tidy at the end of break and lunch time. Pupils from different forms are allowed in other form rooms but only at the invitation of the members of that form.

Informal ball games during break/lunchtime (Recreational Kick-about):

Games which involve potentially dangerous physical contact are not to be played. Pupils may have a 'recreational kick-about' with small balls but must stay off the red/blue/yellow netball courts, using the field or the adjacent grass outside the Skelton Hall. All pupils are asked to consider the safety aspects of the games that they intend to play before they commence playing and be aware of other members of our community walking by and enjoying the campus. Pupils who engage in dangerous activity such as 'slide tackles' or who report to registration in dirty uniform, will be banned from playing for a period of time determined by their head of section.

In the event of a dispute as to the nature of the game, or the appropriateness of equipment being used to play the game, the decision of the duty member of staff or any other member of staff will be final.

Any pupil who contravenes the above, or the spirit of the above, should expect to receive a school sanction as they are not acting in a way which is conducive to the safety of themselves and others.

Rewards and Sanctions

Rewards:

The School is keen to acknowledge effort, engagement and good behaviour and to praise and celebrate pupils in their curricular and extra-curricular achievements. The opportunities include:

- Achievement points for endeavor, attainment, community, and sport contributions,
- Commendations for receiving three points in the same category or for an outstanding standalone contribution,
- Half-colours for receiving three commendations in the same category (awarded in assembly),
- Full colours for receiving six commendations in the same category (awarded in final assembly each term),
- Good Grades – After each Grade Card or Achievement Profile the Head of section will select a group of pupils to attend a Good Grades reception, this will be based on those who have excellent attainment, attitude to learning and those who have improved.

Sanctions:

You are given clear guidance on personal conduct. However, from time to time incidents may occur, as in any community. In cases of misbehaviour, both in school and when off site, or for inadequate work, the school will use a range of sanctions. Crucial to our system of sanctions is the principle of proportionality.

The sanctions include:

- Departmental detentions (e.g., for poor effort in class or a failure to produce homework),
- Suspension of Privileges (e.g., for inappropriate behaviour),
- Daily Report (e.g., for persistent work/behaviour/organisational issues),
- Heads of Section detentions (e.g. for repeated instances of the above),
- Saturday detentions (e.g., for missing lessons, or persistent issues of punctuality, or work issues),
- Internal Suspension (e.g., for persistent bad behaviour or truancy),
- Suspension (for serious breaches of the School's Behaviour Policy),
- Permanent exclusion (e.g., for repeated serious breaches of the School's Behaviour Policy).

GRAMMAR SCHOOL

Confiscation:

Staff have the right to confiscate inappropriate items. This may include when:

- An item is a danger to others, e.g. laser pen,
- An item disrupts teaching and learning, e.g. an MP3 player/mobile phone,
- An item is against school uniform rules/dress code, e.g. jewellery and non-uniform items,
- An item poses a health and safety threat, e.g. neck chain worn during P.E.
- An item which is illegal for a child to have, e.g. pornographic material.

When an item is confiscated a record of the incident will be made by the member of staff involved and a copy kept on the pupil's file. Items of obvious value will be labelled and stored in the school's safe until they are returned to the pupil. In most cases confiscation is a sufficient sanction, and return of the item at the end of the lesson or school day is adequate time to reinforce the school rule.

If the School chooses not to return an item at the end of the school day then parents will be informed. In some cases a responsible family adult may be asked to retrieve the item. Other items which the pupil should not have had in their possession, particularly of an unlawful or hazardous nature, may be given by the school to an external agency for disposal or further action as necessary. This will be followed by a letter to the parents confirming that this has taken place and the reasons for such action.

Concerns:

If you, as a pupil, have any concerns, you should feel that you could talk to any member of staff. It may be that that member of staff will need to pass the information on. They will not be able to promise confidentiality. Teachers at Wisbech Grammar School will be discreet, but the law gives them clear responsibilities as adults who care for young people. However, they will tell you what they need to do, why, and who will have access to the information.

The members of the School's Designated Safeguarding Team are:

Mr Timmis, Mr Calow, Mr Duncan, Mr Liston, Mrs Bradley, Mrs Ryan, Mrs Fairbrother, Mrs Doherty and Mrs Neaves

All personal information about you is regarded as private, and teachers will not pass it on indiscriminately (for example they will not chat about you in the staffroom). But they cannot offer you or your parents complete confidentiality. By law, teachers must pass on information about behaviour or events that are likely to cause harm to young people in line with the school's safeguarding duty, which is explained on the school website.

Depending on your age and maturity, teachers do not have to pass on information about you to your parents, although they will usually encourage you to seek support from them.

Who to talk to?

The pastoral structure at Wisbech Grammar School encourages you or your parents to talk to your Form Tutor or Houseparent (Boarders) in the first instance. However, there may be occasions that you would prefer to talk to your Head of Section or their Deputy. It may also be that you feel more comfortable talking to another member of staff.

The School Nurse, **Mrs Hannah Ryan** is in the Nurse's office in the Medical Annex and **Mrs Karen Harrison**, the School Counsellor is available to pupils should they wish to speak to her.

Senior Prefects, Form Prefects (in the Lower School) and Peer Mentors are also available to help pupils. As 6th Formers, they may be able to give advice or support. Peer mentors may be paired with individual pupils to offer support. All of these options are fine. Teachers balance many parts of their jobs and they will always aim to be discreet and caring.

Wisbech Grammar School has a list of organisations, including private counsellors, and can recommend ways to access support or help outside of school. If you need the use of a quiet place for a confidential phone call, just approach a senior member of staff.

Further to the above options, we have an anonymous disclosure system available through our school website. We would hope in all cases pupils feel able and empowered to talk to trusted adults in school, however, should this not be the case, for whatever reason, this system is available to you. It should not be used by pupils seeking immediate support as it will generate an email which may take time to be picked up. If you or someone else is in immediate risk of harm to themselves or others you should either speak to a member of staff (whilst at school) or seek support and advice from external agencies, e.g. call 999 (out of school)
