Supervision of Pupils Policy (A12)

Scope:	Magdalene House
Release date:	1 February 2020
Review date:	May 2020
Author:	Senior Deputy Head Magdalene House
Reviewer:	Assistant Deputy Head Magdalene House
Approval body:	Board of Directors

Linked documents

This Policy should be read in conjunction with:

- MH Good Behaviour Policy (A4)
- First Aid Policy (A7)
- Health and Safety Policy (A9)

Introduction

Above all other considerations the safety and well-being of the pupils must be an over-riding consideration. All members of staff are responsible on a day-to-day basis for ensuring that pupils in the school are safe.

Teachers should not leave a class unsupervised or in the care of an unqualified helper at any time unless there is an extreme emergency.

If for any reason a teacher needs to leave the classroom, the Headmaster or another appropriate adult should be summoned.

1. Staffing during the School Day

Before school

- Breakfast Club: Pupils are brought to Pupil Services to be signed in by their parents. The member of staff on duty will accompany the pupils in the Dining Hall and return with them at 0825.
- There are always two members of staff on duty from 0800 in the triangle playground. These staff will be posted at the entrance to the school playgrounds, and will take responsibility for supervising the pupils who arrive before 0840 except for those attending the Breakfast Club.
- Children are encouraged to take their bags and belongings to their cloakroom areas and staff are positioned to enable them to do so safely. In particular, those pupils whose classrooms are on the first floor must be carefully monitored to ensure their safety on the stairs.
- In the event of inclement weather all pupils will go into the Alan Salmon Hall and are supervised there until the beginning of lessons.
- Pupils who travel to school by bus will make their way to the Triangle playground accompanied by members of the senior classes of the Grammar School.

Break times

A rota system is employed to ensure effective supervision of the playground areas. Reception and Prep 1 play on the Triangle playground and Prep 2 – Prep 6 pupils on the other two play areas. There will be a minimum of two Classroom Assistants plus two teachers on duty during morning and afternoon breaks. First Aid can be given either directly on the playground (when dealing with near miss or minor incidents), or by the designated First Aider who is required to remain on duty in the staff room throughout break. There are first aid supplies available in small packs to be taken outside, and the main location for supplies is in the medical room of Magdalene House. Morning break takes place from 1025 – 1045 and afternoon break is from 1405 – 1425.

Lunch times

There are four Lunchtime Supervisors employed by the school to be responsible for the children during the lunchtime break. They also supervise the pupils in the Dining Hall, in addition to the serving and general kitchen staff who are responsible for setting out and clearing away the plates and cutlery and assisting the younger pupils with cutting up food

and carrying their trays. The Lunchtime Supervisors accompany pupils in the younger classes to the Dining Hall. The older pupils are accompanied by their Duty Teacher. When the pupils have finished their lunch they are escorted outside to the playground by the Lunchtime Supervisors and are joined by a Teaching Assistant. The Lunchtime Supervisors remain on duty until 1240 when the whistle blows to indicate the end of the lunch break. The Class Teachers escort the pupils back to their classrooms in time for afternoon lessons.

2. Clubs

Pupils in Reception, Prep 1 and Prep 2 are able to participate in the daily clubs programme which runs from the end of afternoon school at 1530. Pupils in Prep 3 – Prep 6 are expected to take advantage of the extensive clubs programme and remain in school until 1610. Permission may be sought by parents to excuse their child from the clubs session. Clubs finish at 1610, except for a few which may run slightly longer to enable the children to take full advantage of the activity.

Staff supervise pupils attending the clubs in the designated area relating to the activity. For such activities that take place off school premises the relevant risk assessment forms need to be completed by the member of staff running the club, and permission obtained before the club takes place. Some clubs need to be limited in numbers owing to safety factors, such as Tennis and Science Club.

3. Bus pupils

Any pupils who travel home by bus are released from the club they are taking part in at 1610 when they are released to the staff members on duty. A register of pupils travelling each day will be taken. At least one Teacher and one Teaching Assistant will accompany the children to the bus stop. All Magdalene House pupils will be expected to wear high visibility jackets on their way to the bus stop, and they will be required to walk either in pairs or single file in a quiet and sensible manner. The members of staff escorting them will ensure that the children are on the correct bus and that they are wearing seatbelts and seated at the front of the buses before they leave. Staff will remain at the bus stop until all the coaches have departed.

4. End of the Day

At the end of the teaching day the majority of pupils will remain at school to take part in the Clubs programme. Any children going straight home at 1530 will be dismissed from the Triangle playground to waiting parents/carers. Following the end of Clubs at 1610 pupils will be dismissed via the Triangle playground to waiting parents/carers. Those pupils staying for Late Club will be dismissed to parents/carers from Pupil Services at 1730. A member of Magdalene House Senior Leadership Team will remain in school until the last pupil has been collected.

5. Accidents and Injuries

There is a separate policy in place giving guidance for staff dealing with accidents and injuries, and a record is kept of all such occurrences. Parents are informed in the case of

any head injury, and in addition they are notified when the first aider dealing with the injury feels any level of concern. All staff are trained in First Aid procedures, and there is always at least one member of staff on the premises who holds a current certificate in specialised training in paediatric first aid.

6. Trips and Educational Visits

A separate policy is in place dealing with these events. Ratio guidelines for adult: child supervision are always adhered to, with the majority of trips having more staff than the recommended number. Any member of staff taking children off school premises must take the school mobile phone with them and be contactable at all times. In addition, the InTouch system is used to keep parents informed of any alterations to arrangements.
