

**Safeguarding and Child Protection Policy
COVID-19 school arrangements for
Wisbech Grammar School**

School Name: Wisbech Grammar School

Policy owner: Deputy Head Pastoral

Date: Updated 25 August 2020

Date shared with staff: 02/09/20

Date published on school website: 02/09/20

Covid-19 Phased Return

From 20th March 2020 parents were asked to keep their children at home, wherever possible and where it was safer to do so to slow to spread of Covid-19. Many children will continue to remain at home during the initial stages of the phased return. However, from 1st June, we expect to be able to welcome more children back to Wisbech Grammar School. Priority will continue to be given to providing school places for 'key worker' children (those children of workers critical to the Covid-19 response) and those classed as vulnerable, with an EHCP or have an allocated Social Worker.

Guidance currently allows for the return of EYFS, Reception, Prep 1 and Prep 6. Therefore these parents have been given the option of pupils from these year groups returning to school. No Senior School pupils will be returning at this stage but we hope to be able offer some provision in school for pupils in 4th and Lower 6th form from 15 June 2020, though this is under constant review as guidance is updated.

The phased return has been carefully planned with reference to Department for Education guidance:

- Actions for education and childcare settings to prepare for wider opening from 1st June 2020
- Implementing Protective Measures in Education and Childcare Settings
- Covid-19 Safeguarding in Schools, Colleges and Other Providers
- Staff Positioning Statement for Covid – 19
- Covid – 19 Risk Assessment

This revised addendum of the Wisbech Grammar School Safeguarding and Child Protection Policy contains details of our individual safeguarding arrangements during this time, to protect all children, whether attending school or remaining at home, from harm and abuse.

Wisbech Grammar School is committed to ensuring the safety and wellbeing of all its pupils and will ensure compliance with Keeping Children Safe in Education (KCSIE) which remains in force throughout the response to coronavirus (COVID-19).

. The following safeguarding principles remain unchanged:

- The best interests of children must always continue to come first;
- If anyone in a school or college has a safeguarding concern about any child they should continue to act and act immediately;
- A DSL or deputy should be available;
- It is essential that unsuitable people are not allowed to enter the children's workforce and/or gain access to children;
- Children should continue to be protected when they are online.

Supporting Children in School

Wisbech Grammar School is committed to ensuring the safety and wellbeing of all its students.

Wisbech Grammar School will refer to the Government guidance for education and childcare settings on how to implement protective measures including social distancing: [implementing protective measures in education and childcare settings](#)

The school will continue to follow the advice from Public Health England on handwashing and other measures to limit the risk of spread of Covid-19.

Wisbech Grammar School will continue to be a safe space for all children to attend and flourish. We recognise that for some children the return to school after an extended period of time at home will be challenging and staff will support children to adjust to the necessary changes to the school environment and routines. Supporting pupil wellbeing will be at the forefront of our approach and school staff will seek to provide reassurance to pupils as we manage the transition period. Staff will talk to the children about the changes to the school day in an age appropriate manner, acknowledge and listen to pupil anxieties and support children to understand the altered routines.

Wisbech Grammar School recognises that the current circumstances may adversely affect the mental health of children and their parents. School staff have been briefed to look out for changes in behaviour or in a child's emotional state, which could range from being excessively clingy, fearful, withdrawn or aggressive as more children return to school. As always, pupil wellbeing is at the heart of our work, and school staff will seek to provide appropriate support for pupils both in school and where required from specialist services.

Wisbech Grammar School recognises that for some children, home may not be a safe space, and there may be children who are relieved to return to school. School staff have been reminded of the need to respond sensitively to pupils' differing experiences during the period of school closure. School staff have been asked to be particularly vigilant, as more children return to school, for signs and indicators that a child may have experienced abuse or neglect. School staff have been trained about how to handle a disclosure from a child, and understand that any safeguarding concerns, including those that relate to the period of school closure, must be referred immediately to the Designated Safeguarding Lead (or deputies) in the usual way.

Prior to children returning to school, parents and carers will be asked to ensure that all personal details held by the school, such as emergency contact numbers are correct and ask for any additional emergency contact numbers where they are available. At this time, parents and carers will also be asked to advise the school if there are any changes regarding the child's welfare, health and wellbeing that it would help school to be made aware of. Where the school is aware of particular circumstances affecting a child or family, such as bereavement, a relationship breakdown, an incident of domestic violence, this will be shared with staff on a need-to-know basis so that children can be best supported.

Supporting Children Not in School

Wisbech Grammar School is committed to ensuring the safety and wellbeing of all its children and young people.

Wisbech Grammar School recognise that some children will not be eligible to return to school immediately due to the phased nature of re-opening, and that some parents/carers of children eligible to attend may choose not to send them to school at this time.

Wisbech Grammar School recognises that school is a protective factor for children and young people, and the current circumstances, can affect the mental health of pupils and their

parents/carers. Teachers at Wisbech Grammar School need to be aware of this in setting expectations of pupils' work where they are at home.

Where the DSL has identified a child about whom there have been concerns but not currently open to social care, or who would normally receive pastoral-type support in school, they should ensure that a robust communication plan is in place for that child or young person.

Details of this plan will be recorded, as should a record of all contact made.

Wisbech Grammar School and its DSL will work closely with all stakeholders to maximise the effectiveness of any communication plan.

This plan must be reviewed regularly and where concerns arise, the DSL will consider any referrals as appropriate.

If we are unable to contact a child about whom there have been concerns after a reasonable number of attempts, we may need to seek further advice about safe and well checks.

The school will share safeguarding messages on its website
Vulnerable children

All vulnerable children continue to be eligible to attend school full time during the period of phased opening. This applies regardless of whether their year group is due to return to school as part of the phased return, and regardless of whether they had chosen to access school provision prior to the phased return.

Vulnerable children include those who:

- are assessed as being in need under section 17 of the Children Act 1989, including children who have a child in need plan, a child protection plan or who are a looked-after child
- have an education, health and care (EHC) plan and it is determined, following risk assessment (risk assessment guidance), that their needs can be as safely or more safely met in the educational environment
- have been assessed as otherwise vulnerable by educational providers or local authorities (including children's social care services), and who could therefore benefit from continued attendance. This might include children and young people on the edge of receiving support from children's social care services, adopted children, those at risk of becoming NEET ('not in employment, education or training'), those living in temporary accommodation, those who are young carers and others at the school and local authority's discretion

Senior leaders, especially the Designated Safeguarding Lead (and deputies) know who our most vulnerable children are. They have the flexibility to offer a place to those about whom there have been concerns but not currently open to Social Care.

Eligibility for free school meals in and of itself should not be the determining factor in assessing vulnerability.

Wisbech Grammar School will continue to work with and support children's Social Workers to help protect vulnerable children. This includes working with and supporting children's Social Workers and the Local Authority Virtual School Head (VSH) for looked-after and previously looked-after

children. The lead person for this in the Senior School will be Peter Timmis, the lead in Magdalene House will be: Keryn Neaves

There is an expectation that vulnerable children who have a Social Worker will attend an education setting, unless the child/household is shielding or clinically vulnerable. In circumstances where a parent does not want to bring their child to an education setting, and their child is considered vulnerable, the Social Worker and Wisbech Grammar School will explore the reasons for this directly with the parent. Wisbech Grammar School and Social Workers will agree with parents/carers whether children in need should be attending school – Wisbech Grammar School will then follow up on any pupil that they were expecting to attend, who does not.

Where parents are concerned about the risk of the child contracting COVID19, Wisbech Grammar School or the Social Worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

Wisbech Grammar School will encourage our vulnerable children and young people to attend school, including remotely (through Online Distance Learning) if needed.

In all circumstances where a vulnerable child does not take up their place at school (either through attending or Online Distance Learning), or discontinues, Wisbech Grammar School will notify their Social Worker.

Attendance monitoring

Wisbech Grammar School will resume taking attendance registers from 1 June and continue to complete the online Educational Setting Status form which gives the Department for Education daily updates on how many children and staff are attending:

<https://www.gov.uk/government/publications/coronavirus-covid-19-attendance-recording-for-educational-settings>.

Wisbech Grammar School will also sending this information to the Local Authority via a local survey to inform local planning for children in Cambridgeshire and Peterborough,

Wisbech Grammar School will continue to follow up with any parent/carer if they were expecting the child to attend and they subsequently do not attend school. Non-attendance will be followed up in line with the school's normal attendance protocols.

Wisbech Grammar School will continue to inform Children's Social Care if a child with a Social Worker does not attend school (either in person or through Online Distance Learning).

Designated Safeguarding Lead Arrangements

Wisbech Grammar School has a Designated Safeguarding Leads (DSL) for both the Senior School and Magdalene House as well as a Safeguarding Team of Designated Persons.

The Designated Safeguarding Leads are: Peter Timmis (Senior School) and Keryn Neaves (Magdalene)

The Deputy Designated Safeguarding Leads are: Kate Taylor, Al Duncan, Tom Calow, Kate Cook, Rebecca Mackay

We will endeavour to have a trained DSL (or deputy) available on site. Where this is not possible, a trained DSL (or deputy) will be available to be contacted via phone, email, Microsoft Teams or MyConcern

Where a trained DSL (or deputy) is not on site, in addition to the above, a member of the Senior Team will assume responsibility for co-ordinating safeguarding on site.

It is important that all Wisbech Grammar School staff and volunteers have access to a trained DSL (or deputy). All staff on site will be made aware of who that person is and how to contact them.

The DSL will continue to engage with Social Workers, and attend all multi-agency meetings, which are being held remotely.

If possible/applicable: school name recognises that the dual challenge of maintaining contact with vulnerable children not attending school, and the potential for increased referrals as staff members raise concerns about those children now returning to school. Therefore, additional capacity has been created through an increase in non-teaching time available for the DSL (and/or deputies).

Reporting a concern

Where staff have a concern about a child, they should continue to follow the process outlined in the school Safeguarding and Child Protection Policy. If Staff need to report a concern from home this can be done via email to a member of the designated team or their DSL, ideally through filling out a Cause for Concern form which is available through remote access

Staff are reminded of the need to report any concern immediately and without delay.

Where staff are concerned about an adult working with children in the school, they should report the concern to the Headmaster according to the Safeguarding and Child Protection Policy. If there is a requirement to make a notification to the Headmaster whilst away from school, this should be done verbally and followed up with an email to the Headmaster.

Concerns around the Headmaster should be directed to the Board of Directors Representative: Natalie Miller

Safeguarding Training and Induction

DSL training is very unlikely to take place whilst there remains a threat of the COVID 19 virus. In the interim, Designated Safeguarding Leads continue to keep themselves up to date with safeguarding developments through updates from the Education Safeguarding Team, accessing the Knowledge Hub and via the Safeguarding Children Partnership Board communications and website.

For the period COVID-19 measures are in place, a DSL (or deputy) who has been trained will continue to be classed as a trained DSL (or deputy) even if they miss their refresher training.

The Local Authority Education Safeguarding Team is providing advice and guidance, where needed, to schools through a dedicated helpline.

All existing school staff have had safeguarding training and have read Part 1 of Keeping Children Safe in Education (2020). The DSL should communicate with staff any new local arrangements, so they know what to do if they are worried about a child.

Where new staff are recruited, or new volunteers Wisbech Grammar School, they will continue to be provided with a safeguarding induction through Online Distance Learning Sessions on Microsoft Teams or Zoom.

Upon arrival, they will be given a copy of the receiving setting's Safeguarding and Child Protection Policy, guidance on local processes and confirmation of DSL arrangements.

Safer recruitment/volunteers and movement of staff

It remains essential that people who are unsuitable are not allowed to enter the children's workforce or gain access to children. When recruiting new staff, Wisbech Grammar School will continue to follow the relevant safer recruitment processes for their setting, including, as appropriate, relevant sections in part 3 of Keeping Children Safe in Education (2019) (KCSIE).

In response to COVID-19, the Disclosure and Barring Service (DBS) has made changes to its guidance on standard and enhanced DBS ID checking to minimise the need for face-to-face contact.

If staff are deployed from another education or children's workforce setting to our school, we will take into account the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic and will accept portability as long as the current employer confirms in writing that:

- the individual has been subject to an enhanced DBS and children's barred list check
- there are no known concerns about the individual's suitability to work with children
- there is no ongoing disciplinary investigation relating to that individual

There is no requirement to obtain a new DBS check for returning staff who have continued to be employed but have not been working in regulated activity during partial school closures. If for any reason the school have concerns about an individual, new checks will be obtained in the usual way.

Where Wisbech Grammar School are utilising volunteers, we will continue to follow the checking and risk assessment process as set out in paragraphs 183 to 188 of KCSIE. Under no circumstances will a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity.

Wisbech Grammar School will continue to follow the legal duty to refer to the DBS anyone who has harmed or poses a risk of harm to a child or vulnerable adult. Full details can be found at paragraph 179 of KCSIE.

Wisbech Grammar School will continue to consider and make referrals to the Teaching Regulation Agency (TRA) as per paragraph 143 of KCSIE and the TRA's 'Teacher misconduct advice for making a referral.

During the COVID-19 period all referrals should be made by emailing Misconduct.Teacher@education.gov.uk

Whilst acknowledging the challenge of the current National emergency, it is essential from a safeguarding perspective that any school is aware, on any given day, which staff/volunteers will be in the school or college, and that appropriate checks have been carried out, especially for anyone engaging in regulated activity. As such, Wisbech Grammar School will continue to keep the single central record (SCR) up to date as outlined in paragraphs 164-171 in KCSIE.

The SCR will log everyone that will be working or volunteering in school on any given day, including any staff who may be on loan from other institutions. The SCR will log details of any risk assessments carried out on volunteers and staff on loan from elsewhere.

Online safety in schools and colleges

Wisbech Grammar School will continue to provide a safe environment, including online. This includes the use of an online filtering system.

Where students are using computers in school, appropriate supervision will be in place.

Children and online safety away from school and college

It is important that all staff who interact with children, including online, continue to look out for signs a child may be at risk. Any such concerns should be dealt with as per the Safeguarding and Child Protection Policy and where appropriate referrals should still be made to children's social care and as required, the police.

School closures bring lots of challenges for both school staff and parents, and both are increasingly looking to the benefits of technology to continue delivering some form of learning experience for children.

As always, there are huge benefits to be gained from the appropriate use of technology, and accessing learning resources whilst at home is a great example of this. However, parents (and teachers) need to be aware of the potential risks that go along with this.

Wisbech Grammar School will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.

Pupils and parents have all been provided with and agreed to a user agreement in order to access Online Distance Learning these are provided as appendices in our Online Safety Policy

Peer on Peer Abuse

Wisbech Grammar School recognises that during the closure a revised process may be required for managing any report of such abuse and supporting victims.

Where a school receives a report of peer on peer abuse, they will follow the principles as set out in part 5 of KCSIE and of those outlined within of the Safeguarding and Child Protection Policy.

The school will listen and work with the young person, parents/carers and any multi-agency partner required to ensure the safety and security of that young person.

Concerns and actions must be recorded and appropriate referrals made.

Radicalisation

School staff have received training about Prevent. Peter Timmis is the school's Prevent Lead. All school staff are aware of the need to treat concerns about radicalisation as safeguarding concerns, and immediately share them with their Designated Safeguarding Lead (or deputies). DSLs continue to refer concerns about radicalisation to partner agencies, including Channel Panel which remains operational, in line with usual procedures.

The Department for Education has also published information here on [prevent management support for schools and colleges](#).

Children moving schools

As always, where children join our school from other settings we will seek confirmation from the DSL whether they have a Safeguarding File or SEN statement/EHCP. This file must be provided securely before the child begins at our school and a call made from our DSL or a deputy to the placing school's DSL to discuss how best to keep the child safe.

In some unusual circumstance this may not be possible. Information provided must include contact details for any appointed Social Worker and where relevant for the Virtual School Head.

Safeguarding information about children placed in our school will be recorded in a safeguarding file, it will be securely copied to the placing school DSL and will be securely returned to the placing school on completion of the child's placement with us so there is a continuous safeguarding record for the child.

The DSL will undertake a risk assessment in respect of any new information received, considering how risks will be managed and which staff need to know about the information. This will be recorded in the pupil's safeguarding file.

This policy has been remotely approved by the Board of Directors on 01/02/20 and is available on the school website at link
